

Dear members,

We have the **pleasure** of bringing you some great news – we will soon be hosting a **Tinh Tam (Retreat)** for the youth!

**Tinh Tam 62** is aimed for youth who have not previously attended our Retreats. We hope to open up the mind and heart of the youth to God while looking towards World Youth Day 2008.

In the past, Tinh Tam participants have taken away fantastic memories of making new friends and of sharing their stories, and have strengthened their faith through this special experience.
